

COVID-19 MEASURES FOR '4x4 EXPERIENCE & DRIVER TRAINING' ACTIVITIES

THESE MEASURES FORM PART OF THE TERMS & CONDITIONS OF YOUR BOOKING, AND MUST BE ADHERED TO AT ALL TIMES BY ALL PRESENT

THERE ARE NO EXEMPTIONS FROM THESE MEASURES, SO IF YOU ARE UNABLE TO COMPLY WITH ANY OF THE MEASURES, UNFORTUNATELY WE WILL NOT BE ABLE TO WELCOME YOU ONTO OUR ACTIVITIES AT THIS TIME.

IN THESE CIRCUMSTANCES, PLEASE CONTACT US IMMEDIATELY FOR A FULL REFUND **IN ADVANCE OF YOUR BOOKING**.

IF YOU DO ATTEND, BUT ARE UNABLE OR UNWILLING TO COMPLY WITH THESE MEASURES, **NO REFUND WILL BE DUE**.

LAST UPDATED 1 OCTOBER 2020

- You **must not** attend any of our '4x4 Experience' or 'Driver Training' activities with a group of more than 6 people, although for most activities you will already be limited to a maximum group size of 4 people owing to the seating capacity within our vehicles. Your instructor does not count towards the legal limit of 6 people.
- If you are **resident** in an area covered by **additional local restrictions**, then it is a requirement of your booking with us that you comply with those measures. This **may** include not attending our activities with anyone from outside of your own household. Meeting and interacting with your instructor **is** permitted. Please check with us if you are unsure of any local restrictions which apply to your residential area.
- To maintain hygiene, indemnity terms will be agreed via an online check-in website rather than by signing on the day, and any previous handouts have been withdrawn or will be provided electronically via email. You will also be required to complete a COVID declaration as part of the check in procedure.
- At all times in *ukLANDROVERevents* vehicles, or when receiving instruction in your own vehicle from a *ukLANDROVERevents* instructor, **ALL** customers will be required to wear a face mask. We can provide medical grade disposable masks for anyone who requires one. There are **no exemptions** from this requirement. If you are exempt in law from wearing a face mask, then unfortunately at this current time we will not be able to accept you into our vehicles, or provide instruction to you in your vehicle unless you wear one.
- Masks may only be removed if taking a break **outside the vehicle**, and **only** if a 2 metre social distance is maintained between people from different households.
- Your instructor/guide may be wearing a face shield and/or mask when approaching you at the start of the day, and will need to conduct a non contact temperature check on everyone present before the commencement of any activity.
- Good hand hygiene should be maintained by everyone. You should sanitise your hands at regular intervals during the day, and avoid touching your face wherever possible. Hands should be sanitised at every driver change, and your instructor will ensure that vehicle controls and touch points are cleaned with anti-viral wipes between driver changes. We can provide sanitiser if needed.
- In relation to private vehicles, advice from the **Department for Transport** is that where possible you should only travel with people from your own household or 'household bubble', although the law does not prohibit the sharing of a vehicle, so long as you take additional precautions such as those below.
- In situations where 2 metre social distancing cannot be maintained, such as when sharing space within a single vehicle with people outside of your household or 'household bubble', you should avoid direct face to face contact. Facing straight ahead or away from each other is best practice when a 2 metre distance between people is not possible. Face coverings are also **strongly recommended** if you are sharing a vehicle with another household.
- When unable to keep a 2 metre distance from people outside of your household or 'household bubble', face coverings should be worn. Face coverings are most effective at protecting others rather than yourself, therefore everyone who is unable to distance should wear one. We can provide disposable masks if needed. We also recognise some customers may wish to wear a mask even if socially distancing, as may your instructor/guide.
- Whilst some limited personal information about you and your passengers is collected on this online check-in website, this would only ever be used for the purposes of **NHS Test and Trace** in the event of a confirmed infection.
