

## COVID-19 MEASURES FOR 'GUIDED GREEN LANE TOUR' ACTIVITIES

THESE MEASURES FORM PART OF THE TERMS & CONDITIONS OF YOUR BOOKING, AND MUST BE ADHERED TO AT ALL TIMES BY ALL PRESENT

DESPITE COVID-19 POSSIBLY POSING A LESSER THREAT THAN IN THE EARLY STAGES OF THE PANDEMIC,  
WE ARE STILL TAKING PRECAUTIONS TO KEEP OUR STAFF AND CUSTOMERS SAFE DURING OUR ACTIVITIES.

THERE ARE NO EXEMPTIONS FROM THESE MEASURES, SO IF YOU ARE UNABLE TO COMPLY WITH ANY OF THE  
MEASURES, UNFORTUNATELY WE WILL NOT BE ABLE TO WELCOME YOU ONTO OUR ACTIVITIES AT THIS TIME.

LAST UPDATED 1 JANUARY 2023

- Our 'Green Lane Tour' events are operating as scheduled, and you should notice very little difference to how the day runs compared with pre-pandemic events.
- Despite this, it is always possible that further restrictions may be imposed by the authorities, which could impact on our ability to run tours. Therefore we ask all entrants to be prepared for the possibility of disruption to bookings, and even short notice cancellations.
- There is currently no **legal** requirement to socially distance, but please remember that other entrants may have specific health concerns, so we ask everyone to be considerate of each other and still **maintain a social distance** from other customers and your instructor/guide wherever possible.
- If you develop COVID-19 symptoms, or test positive for COVID-19, then in line with Government guidance, we ask you NOT to attend our events for at least 10 days from when you developed symptoms or tested positive, so that you are not mixing with our other customers whilst potentially infectious to others.
- If your instructor is unable to attend for COVID reasons, any customers due to attend an affected tour will be contacted and arrangements made to credit and/or reschedule.
- During online check-in which is completed on our website in the week leading up to your event, you will be required to complete a COVID declaration as part of the check in procedure.
- Our 2 way radios may be protected by sealed packaging which must remain in place during use. The radios are cleaned and repackaged each day.
- If at any time during a tour you need to enter a ukLANDROVERevents vehicle, or require assistance or instruction in your own vehicle from a ukLANDROVERevents instructor, **ALL** those in the vehicle will be required to wear a face mask. This may also be the case if we're required to assist with a recovery/breakdown/repair if there needs to be close contact between people. We can provide medical grade disposable masks for anyone who requires one. There are **no exemptions** from this requirement. If you are exempt in law from wearing a face mask, then unfortunately at this current time we will not be able to accept you into our vehicles, or provide assistance or instruction to you in your vehicle unless you wear one.
- We will continue to review these COVID-Secure measures in line with scientific, regulator and Government advice, and reserve the right to make alterations to these terms if necessary.
